It hardly needs to be added that if Saddam does acquire the capability to deliver weapons of mass destruction, as he is almost certain to do if we continue along the present course, the safety of American troops in the region, of our friends and allies like Israel and the moderate Arab states, and a significant portion of the world's supply of oil will all be put at hazard. The development of the doctrine was influenced by neoconservative ideology[39] [40] and it was considered to be a step from the political realism of the Reagan Doctrine. The Reagan Doctrine was considered anti-Communist and in opposition to Soviet Citing profound disagreements with Trump, Defense Secretary Mattis stepped. Trump decided to repeal Obama-era rules requiring disclosure of civilians killed by US strikes overseas mainly, drone strikes.
