Private shelf-label of Porkington Library to FEP, very small worm-trail to gutter throughout, lightly foxed. Systems hide, or dissimulate affects libidinal intensities.

On the level of experience, our attention is prepatterned, shifting our focus. In the libidinal philosophy Lyotard uses the idea of libidinal energy to describe events and the way they are interpreted or exploited, and he develops a philosophy of society and theory in terms of the economy of libidinal energies. Having rejected the possibility of a politics based on a single theory that will accurately capture the truth of all social events such as Marxism Lyotard's later concern is to do justice to multiple social realities. Text clean.

Ultimately, the point is not to privilege the figural over the discursive, but
