Seven authors writing in seven different original languages
are presented in this edition. The author intends rather to
reflect about the conditions theories" that would underpin a
renewed critical disciplinary perspective vol. At least two
short works are presented for each of the eleven authors in
this collection.

Include the chapter or section number in parentheses after the
book title. One researcher outlines the viewpoints of both
parties: Freedom of research is undoubtedly a cherished ideal
in our society. The preface discusses the scope of the
anthology, while the introduction offers a critical essay on
Russian modernism and the role of these women within this
literary movement.
