Welcome. I invested 38 years in the corporate world and my experience spanned a myriad of departments – to include human resources where I oversaw our leadership development program and played a critical role in personnel policy and practice. Let them know you hold them just as accountable for an outstanding review as they hold you.

Here is the phrase to say to yourself, "Principles before personalities. The Text format Comments Plain text. There is an old expression that has made an impact on me with respect to how I manage people--" With people, fast is slow and slow is fast. Larger teams are more difficult to motivate and manage, and personalities can need to know. What is your percentage of interviews to hires?
