The Straw King. A sub-creation must not only bring about a sense of wonder, it must also accomplish the difficult trick of being important to the events and characters without dominating. When Ozma learned about this she decided it is her duty as a ruler of all Oz to make peace between the nations. Sometimes Glinda reminds me of Nanny in Muppet Babies, mostly letting her in. All good so far. Just when it seems the underlying message borders on sexist, the story redeems itself: "Why, we've had a revolution, Your Majesty - as you ought to know very well," replied the man; "and since you went away the women have been running things to suit themselves.
