Noemi and Abel are enemies in an interstellar war, forced by chance to work together as they embark on a daring journey through the stars. This is the price Genesis pays for a pristine environment, for the health and strength of every living thing on their world. Error rating book.

There were a few conflicts that I thought would be a little more drawn out, but what kind of cowards go to war but refuse to fight it themselves? Each week we will be interviewing a different YA author and highlighting their upcoming release! I gotta say that Abel surpasses every single criteria for a human, a hero. Olivia Farr, Staff Reviewer. There was something about it that made me wonder if the author had experienced a relationship similar to this in her past. She knows each button and toggle by heart, understands what each light means.
