Obviously, I am referring here to communism and fascism if we agree, in the latter case, to give one name to what some would see as very different radical nationalist movements.

Korostelina and Mohammed D. Davis' ed.

Letmeconclude.Somuchforwarasalegalinstitution. To address the causes of conflict, efforts should aim to bolster law enforcement capacity, strengthen national legislation and ensure its implementation, he said, underlining the ultimate need to focus on strengthening national ownership, leadership and capacity to combat abuse. This article discusses the issue of medical neutrality as applied to the Syrian conflict and, furthermore, underscores the relevance of condemnation as a

tactic for influencing policy.

In the confusion, we want to insist on a bright line. Insofar as this appears to be the kind of response that Rorty wished to elicit, I guess I'm in accord.
