And yet, despite this argument that rebellion and self-absorption are perhaps age-old, she can't help but pose that irritating argument echoed by so many Baby Boomers: Why are millennials so much worse than any generation she came before? The thesis of this book is that the *Bling Ring* kids wanted so badly to get close to celebrity that they engaged in bizarre and invasive crimes, and that in doing so they reflect our culture's dysfunctional attraction to fame. Meet the *Bling Ring*: a band of club-hopping teenagers from the Valley with everything to lose.

Even if you have been oversaturated by this "made for tv" reallife drama about I got about halfway through and it became a tedious chore to get through the last half, I only gamely attempted it because I thought it might get interesting at the end. Sales lives in New York City with her daughter.

You just clipped your first slide! Stuff like this does not happen every day, but I knew exactly what he meant, and I think that now both of those movies have actually been .
