Write a customer review. The story is built on the premise of the Mechanic combat component and Razor hacking component team, and the tactics that can be deployed in such a combination. More explosions.

Hornswoggler,Gent.The writing style itself leaves something to be desired. I had trouble keeping straight who was on what mission because there was very little distinctive about any of. I welcomed dialogue for its change of syntax. Designed by GameSiteTemplates.

It's animewhithoutthepictures.However,that is not a compliment.Many scenes are just fragmented descriptions that show what he's talking about but doesn't exactly tell us anything to fill in the blanks. Looking forward to the third book.
