We find the relation between humour, control and subversion to be ambiguous. By using our website you consent to all cookies in accordance with our updated Cookie Notice.

Traditional forms of parody, irony and ridicule easily end up being co-produced.

This development raises the question of whether humour can still be regarded as having critical or subversive potential.

Thomas

In both cases, the symbolic order is one in which all parties take their natural is something that the majority of us use and enjoy instinctively, but there is plenty of humour scientific research to confirm what those natural impulses tell us: humour is good for us.
