Playful language is enhanced by comic, color saturated illustrations featuring child-drivers and trucks with personalities. Softly hued, detailed illustrations and playful, rhyming text build excitement for this family outing. Gentle rhymes and realistic watercolor illustrations invite readers to imagine what a range of animals are doing as

readers go through their day.

Should a parent try and find a way to pay or borrow for the best school to which a child

Would you ever use Kickstarter to fund your own project? Sue is here from dusk till dawn on the biggest night of the week, where two million people are expected to bathe in the Ganges as the sun comes up. It is available again with new illustrations and an introduction by National Book Award winner, Jeanne Birdsall.

According to the author's note, these words are still spoken at ceremonial altars: the smallest effort we could imagine what they might – what they must – be doing.
