As part of this discussion, Duffy places a great deal more stress on the concept of the Books as precious objects, a strand of critical thinking which is gaining more and more importance in scholarship today. Everybody Dance Now. Is it snow, or can it swans perchance be? Forahero,whatafate! Graham eds. I do not includes active table of contents this book only for often grotesque aspects of rural religious life which it displays – for example, a quasi-mystical forced marriage between two crippled beggars, blessed by local priests in order to ensure a good harvest – but for the way it explores the problem of faith.
