And the Bible is filled with people who have deeply contradictory characters. We do not see, or we forget, that the birds which are idly singing round us mostly live on insects and seeds, and are thus constantly destroying life. By looking at illustrations written in an ancient language nobody can read, they rejected Marley's vilified version of Eldian history and believed it to be lying propagandas, and concluded that Ymir Fritz was a goddess who used the power of the Titans to cultivate lands, build roads, bridging mountains and bring
