Although Blainey's book *Triumph of the Nomads* was considered to be a scholarly study into the history of Australia's original inhabitants, his opinions opposing High Court decisions in favour of Aboriginal land rights put him in the line of fire and led to accusations of racism. They see it as fundamentally cultural, learnt by nurture rather than nature. Not every student of international politics will agree with Van Evera's theories, but each of us will have to confront .

Revolutionary War These occur when a large section of the population of a country
Religious wars can often be tied to other reasons for conflict, such as nationalism or revenge for a perceived historical slight in the past. There can be little doubt that the spirit is the principal cause of war across the centuries. Published September 7th by Free Press first published as *The Causes of War* of
Muslims are not and have not been subject to verifiable oppression by the West, and in fact it is Westerners themselves who are integrationist and egalitarian. States engage in war to satisfy their human need for safety and security.
