The illiterate of the 21st century will not be those who cannot read and write, but those who cannot learn, unlearn, and relearn. They should therefore be flexible enough to adapt quickly to changing trends in their missions. For the difference with C1 the effect sizes for the distinct skills varied .

Indeed, constructive learning can be guided and mediated through appropriate Relevance, Quality, Management and co-operation. In addition, students could draw conclusions with regard to gaps in their knowledge base and with respect to learning activities that can help to remedy. Request Username Can't sign in?
