His music is filled with religious allusions and he once said if he could have his life over again he would like to set the entire Bible to music! By his mid-teens he was composing and performing music that displayed a highly original imagination and a breathtaking keyboard skill. Rather less admirable is the hunting style Quasi caccia op 53 of which suffers from an over-obsession with a rhythmic hunting motive which is emphasized by single note centricity and harmonic monotony. This is a directly descriptive piece. New ed. By the s Alkan was emerging as one of the foremost virtuoso pianists of Paris. See also: List of compositions by Charles-Valentin Alkan. Bach was played on the pedal piano. Learn. There is little evidence musically given the highly repetitive textures and rhythmically square phrase structures and a general dearth of any melodic distinction in either piece that is a likely composition date.
